### Annual Cash Refunds may help lower your cost of insurance.

The AICPA Insurance Trust (Trust) reviews a number of factors in determining the amount, if any, of Annual Cash Refunds, such as premiums, claims, expenses, and other charges. These refunds vary year to year and are not guaranteed. The Trust has paid Annual Cash Refunds every year since each Life Insurance Plan's inception. However, the Trust may suspend the distribution of Annual Cash Refunds at any time. These refunds could vary based on the premium you pay, and when premiums are lowered, refunds may decrease as well. In the 2022 policy year, most Plan participants saved 28–42% on gross costs.\*

### Dependent Child Coverage

Is \$6 per year deducted from your Annual Cash Refund and insures all of your eligible dependent children. Each dependent child is covered with \$10,000 in coverage if he or she is unmarried and under age 25.
