Annual Cash Refunds may help lower your cost of insurance.

The AICPA Insurance Trust (Trust) reviews a number of factors in determining the amount, if any, of Annual Cash Refunds, such as premiums, claims, expenses, and other charges. These refunds vary year to year and are not guaranteed. The Trust has paid Annual Cash Refunds since 1984 for each Disability Insurance Plan. However, the Trust may suspend the distribution of Annual Cash Refunds at any time. These refunds could vary based on the premium you pay, and when premiums are lowered, refunds may decrease as well.

Please note: The monthly gross cost shown does not reflect the opportunity for Annual Cash Refunds.
